It's easy as A, B, Pedigree!

Applying is simple...

Telephone us on **01923 695200** and give us your details.

We will give you an estimated cost of making your herd pedigree and pass on your details to a member of our field staff.

They will contact you to arrange a visit at your convenience.

Our staff member will look at your records (farm records or official milk records), complete ancestry forms and return them to Scotsbridge House.

Your registration certificates will then be sent to you and you will be able to benefit from the other services offered by Holstein UK.

It's as simple as that, and your herd could be pedigree sooner than you think
